

STAGED Risk Assessment – Santa Sleigh Door-to-Door Collections

Event: Santa Sleigh Fundraiser – Door-to-Door Collecting

Dates: 1–12 Dec 2025 (evenings)

Location: Residential streets across Salford

Assessor: Nathan Talbot

Date: 17 October 2025

Review: Before Dec 2026

S – Step / Activity	T – Type of Hazard	A – Who Might Be Harmed	G – Guidance / Control Measures	E – Existing Controls / Responsible	D – Residual Risk
Walking door to door in residential streets	Slips, trips, uneven ground	Volunteers / children	Wear sturdy footwear, hi-vis, use torches, stay on pavements	Route briefing, common-sense walking	Low
Crossing roads while collecting	Traffic, poor visibility	Volunteers / children	Cross at safe points, adults supervise, stay together	Hi-vis mandatory, no lone crossings	Medium
Cold, rain, icy conditions	Weather exposure	All	Warm/waterproof clothing, cancel if unsafe (ice/snow)	Event lead monitors forecast	Low
Door knocking	Aggressive dogs / residents	Volunteers	Work in pairs, don't enter properties, walk away if uncomfortable	Briefing before start	Low
Handling donations	Theft, loss, cash handling	Volunteers	Use sealed buckets, don't count cash in public, hand in regularly	Lead collects buckets frequently if full	Low
Children accompanying parents	Supervision, road safety	Children	Must stay with parent/guardian at all times	Parent responsible	Low
Long evenings / fatigue	Tiredness, distraction	Volunteers	Limit to ~3 hours per route, offer warming breaks in towing car if needed.	Event schedule managed by lead	Low
Separation / lone working	Getting lost or left behind	Volunteers	Minimum of two per group, carry phone	Route leader shares volunteer list daily	Low

Overall Risk After Controls: Acceptable (Low–Medium)

Emergency Procedures: Dial 999 if needed. Sleigh vehicle to hold emergency first aid kit

Nearest A&E: Salford Royal Hospital.
